SUMMARY:

A versatile craft built by Pioneer featuring a drop down front, Echo Lima I has such an intelligent design that it's a practical choice for a wide range of requirements on any waterways. Known for its high quality, longevity, safety features and robust qualities, the Echo Lima I features an F50 Yamaha Outboard Engine, steering console, extra seat boxes and nav lights. Echo Lima I joined the Livett's fleet in late 2018 and is suitable for use as a Thames survey boat, workboat, safety boat and as a platform for filming duties. She also has her own trailer and is therefore road transportable.
