## SUMMARY:

Thames Bosun is a highly versatile multicat-style workboat, fully refitted in 2025 and licensed for PLA Category C and D waters. A twin screw vessel, she features a 2T hydraulic winch, loading crane, 2x 13m hydraulic spud legs, plough dredge, bow thruster, and ample deck space, with a 2.4m bow opening for easy loading. Ideal for barge handling, dredging, diving, marine logistics, deliveries, survey work, filming, and drone work. Onboard facilities include air conditioning, heating, galley, toilet, and seating for 2 crew and up to 12 passengers – making her a reliable and multi-functional asset for complex Thames-based operations.
