MAXIMUM DRAFT	5ft
MAX SPEED	6 knots
ENGINE	Yanmar 2YM15G, 14hp diesel inboard, shaft drive
EQUIPMENT	Galley Saloon Toilet VHF radio Echo sounder Tiller pilot Solar panel Road trailer

SUMMARY:

Samphire is a 2011 Cornish Crabber 22, a classic gaff-rigged cutter designed by Roger Dongray and built by Cornish Crabbers. Below deck she offers 2 cabins, 4 berths, a toilet and a small galley for comfortable days and overnights afloat. Her hull form and heavy displacement make her steady and well-balanced in a chop, while a retractable centre plate gives shallow-draft access when raised and sure-footed handling under sail and in marinas when lowered. Her Yanmar diesel inboard pushes her along at up to 6 knots under power.

With her traditional rig and classic lines, Samphire suits projects calling for an authentic period sailing vessel, and her road trailer means she isn't limited to the Thames.
