PASSENGER CAPACITY |	**6 pax**
EQUIPMENT |	**Pusher Bow, Towing Post, Tow Hook, Davit (SWL: 250kg), VHF Radio, Mounted Search Light, Rear Deck Light, Cabin**

SUMMARY:

Alfie is a beaver-style tug with a large open rear deck, pusher bow, towing post and tow hook. Ideal as a general workboat, small tug, filming platform, camera boat or safety boat on the River Thames in London and connected waterways, she is also well suited to houseboat tows and brand activations.

Alfie underwent an extensive refurbishment in 2026, adding new steelwork and windows, a redesigned interior, a full repaint and a new tow hook. Her main cabin houses the steering position and access to the engine room and forward cabin, which is fitted out with a WC and storage areas.
